

FULLTIME // THE HAGUE, THE NETHERLANDS // BUSINESS ANALYST

BUSINESS ANALYST

SALTREX

[Saltrex](#) offers companies worldwide the best circular solutions. Whether you are looking for a new destination for commodities, damaged and brand protected goods or food related products. We always find the right platform. For our Saltrex Auctions platform we are looking for an Business Analyst.

Role Overview

[Saltrex Commodity Auctions](#) (SCA) is an online B2B platform that has pioneered the digitalisation of distressed goods and salvage sale in international trade. Focusing on solving clients' problems in the global supply chains, SCA is now looking for a new member to join their team. You can find more details in our introductory video [here](#).

Business analyst will work closely with the data generated by our online trading platform to provide the necessary analysis and support to commercial and marketing campaigns. In this role you will be working closely with various stakeholders to identify the relevant insights, which will help the preparation and execution of business ideas.

Key Responsibilities and duties will include:

- Undertake research and market analysis of the distressed commodities industry
- Become expert on the goods that are traded
- Acquire the knowledge of working with databases - SQL
- Learn using tools for data analysis and visualisation – PowerBI
- Support preparation of business cases and other campaigns
- Help drive the Business Intelligence side of business to provide data-driven decisions
- Ask the right questions about the business

What we are looking for:

- This is an entry level role, but business or technical background is preferred
- Be curious about international trade and the surrounding complexities

- Analytical mindset and critical thinking
- Eagerness to learn new skills in data analysis and BI
- Ability to develop and articulate a well thought out business case
- Excellent verbal and written English skills

What do we offer?

- Startup mentality and environment;
- Big responsibility and freedom to develop your own action plan and bring in new ideas;
- A young and entrepreneurial atmosphere;
- Experiences in a fast-growing company;

How to apply?

If you are still interested and enthusiastic, please send us an e-mail to Marieke van Woerden at m.vanwoerden@saltrex.com and make sure to include a short description of your motivation and your CV.
